

Pacers - P&R

Simple pick and roll action that the Pacers run.

The action starts with simple spacing, with the 1 at the top, the 5 on the top of the key, the 4 on the opposite block, and the 2 & 3 spotting up on opposite sides to create space.

As the 1 comes off of the ball screen, the 5 rolls to the basket on the opposite side. The 4 cuts to the opposite block for a dump-off. The shooters remain spaced while spotting up.
