

# IU - Rub Iso

This is a play that starts with the 4 and 5 on the right block with shooters in each corner. The 1 starts with the ball high up on the left side.

The 1 starts his dribble drive to the right. The 4 sprints off of the block and executes a rub cut on the 1's defender. The defense may get confused because they were expecting a ball screen.

The 5 cuts to the opposite block while shooters spot up.
