

IU - Zipper - Post Iso

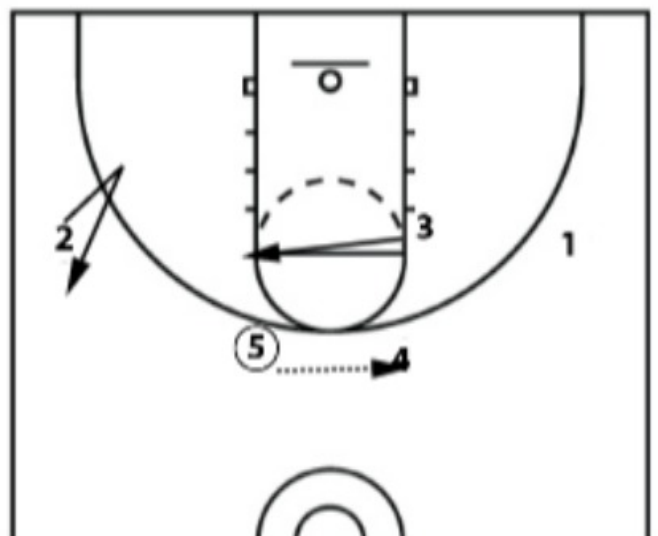

This play starts with the 1 at the top, the 5 and 4 on the elbows, and the 2 and the 3 in the corners.

The 1 enters the ball into the 5, then cuts to the opposite wing. The 4 pops out and the 3 cuts to the elbow. The 2 cuts up to the wing.

The 5 throws the ball to the 4. The 3 cuts over to the opposite elbow, and the 2 walks his man down and flashes to the wing.

The 4 throws the ball to the 2, and as that's happening, the 5 starts executing a zipper cut off of a screen from the 3.

The 5 continues his cut to the basket, and the 2 looks to pass him the ball as he's isolated in the post.
